Robert's Adventure Playground at McLane Park was inspired by the determination of Julie Limpert (Hillis). Mrs. Limpert continued to push for an All Abilities Playground at McLane Park, and along with other community members, this project came to fruition. The name of the playground references Robert Rowland, a young man that passed away in 2016 at the age of 17. Robert was an outgoing, happy and courageous young man that did not let Duchenne's Muscular Dystrophy dictate his demeanor.

With the blessing of the family, the playground gained its name in honor of him. Several other individuals with special needs have been the driving force behind creating this playground, the second of its kind in Poplar Bluff (Kiwanis Bacon Park). This playground is available to all children and adults, and does not exclude anyone because of disability. The spirit and inspiration of inclusion will continue to live on, through this playground and the efforts of the Poplar Bluff Community for many years to come.

**In Memory of Robert Thomas Rowland
December 4, 1998 – August 23, 2016.**

30 MILES OF
TRAILS AROUND
POPLAR BLUFF, MO**

Established in January 2021, the Poplar Bluff Trails Coalition (PBTC) is an all-volunteer, grassroots nonprofit organization whose mission is to plan, promote, build and maintain trails in the greater Poplar Bluff, Missouri region. We serve Butler, Carter and Wayne Counties in the State of Missouri. To achieve our mission, we partner with a variety of public, private and non-profit landowners to plan, construct and improve trail networks for mountain biking, hiking, trail running and equestrian use.

Best Practices: Keep yourself safe!

- Always tell a friend or a loved one where and when you are going for a walk.

- Be alert, limit distractions while walking.
- Make yourself visible – wear bright clothing or reflective material.

Anything is paw-sible: Follow these doggy rules! 

- Keep pets on leash at all times.
- Clean up all pet waste. Bags are conveniently located at most of our parks.

Walk-Tober

OCTOBER 1-31, 2025

Poplar Bluff Parks and Recreation in partnership with the Butler County Community Resource Council invites you to join us for our Walk-Tober Event and learn how to participate in the month-long competition.

Whenever walking is possible, regardless of your age, it is a fun, easy way to incorporate physical fitness or exercise into your life.

Walking is the simplest, easiest, and most inexpensive fitness activity, and it can be fun. Whether a stroll in the park or a brisk hike, walking is a great activity choice. Any level of intensity or pace can help to improve your health.

The American College of Sports Medicine shares that walking is a great choice since it can be done anywhere at any time. Walking for 30-60 minutes at a moderate pace on most days of the week provides many health-related benefits.

Many benefits of walking include: improved cardiovascular aerobic fitness, walking strengthens muscles and bones, improves body composition, and burns calories which may help with weight loss or weight maintenance, lowering blood pressure, improving sleep, increasing energy and slowing down the aging process.

Check with your physician before beginning a new exercise routine of any sort, especially if you have any medical conditions. Take care of your body. Drink water before, during and after exercise. Keep a pair of walking shoes and socks in your car so they are handy anytime you have the opportunity to go for a walk.

Tips to consider if you want to begin a walking program. Start slow and gradual, 10-15 minutes at a time and progressively increase your time and distance. Don't overdo it. Also consider choosing the right shoe, comfortable socks, and comfortable clothing, Warm up for 5-10 minutes, then stretch arm and leg muscles to get blood flowing to prepare your body for exercise. Practice good posture - walk tall, chest up, shoulders down, and relaxed with your arms swinging naturally by your side; keep abdominal muscles tight to support your lower back. Cool down at a slower pace than your actual walking pace. (Source: <https://extension.psu.edu/walking-facts-for-a-healthy-lifestyle>)

THE OZARK'S MOUNTAIN CHALLENGE

Sam A. Baker State Park

Saturday, May 3, 2025 || 7am - 7pm

We have partnered with the Missouri State Parks (Sam A. Baker Park) & Platinum sponsor Missouri Highlands/VisitMo to see who can hike 7,980' elevation (The height of Mt. Olympus) right here in the beautiful Ozark region in Missouri.

Each participant will have twelve hours to hike nine times up Mudlick Mountain. This vertical ascent is equal to hiking Mount Olympus in the state of Washington. Why did we choose Mt. Olympus as a benchmark? Although in Greek mythology Olympus meant "mountain" or "gathering place of the gods", in modern times Olympus represents "a place or state of joy and happiness." The total hiking distance is approximately 17 miles.

Each hiker will be shuttled back down to the base after each successful ascent

The route is Mudlick Mountain Fire Tower Road (available on All Trails app), which is a chat road. This challenge is NOT a race. It is the external (physical) YOU versus the internal (mental) YOU. Other participants & race volunteers will be encouraging you along the way. If you can't complete all 9 times/17 miles, we will celebrate your ascent achievement; even if it is one time (nearly 900' elevation change and 1.9 miles)!

If you competed in 2024 and insist on "beating last year", you can ascend additional times after you "Conquer Mt. Olympus", but you still have 12 hours.

MERRY CHRISTMAS

Santa Land

Santa Land, a heartwarming community event open to the public, is a festive celebration that aims to spread joy and give back to children during the holiday season. Held at the Black River Coliseum, the event brings together families from all around to partake in a night filled with Christmas cheer supported by local area businesses, school clubs, and organizations. If you would like to sponsor or host a booth, contact ksowell@pbparks.org.

Children attending Santa Land are treated to a magical experience that includes a range of festive activities. From crafting ornaments and decorating cookies to enjoying holiday-themed games, there's no shortage of merriment. The highlight of the evening is the opportunity for kids to meet Santa Claus himself, share their Christmas wishes, and capture the moment with a cherished photo. ACCESS FOR THE DISABLED

The City of Poplar Bluff has adopted a non-discrimination policy on the basis of handicapped status in the admission of access to or employment in its municipal program of activities. Parks and Recreation will make reasonable accomodations to persons with disabilities. Persons needing accomodations to participate in a program or service should notify the recreation office in advance.

ADOPT-A-PARK

Parks and Recreation would welcome an organized group or organization to help maintain our city parks. If you would like to participate, contact the Park Office at 573.686.8645

PLEASE HELP

Keeping our parks in the best condition is a full-time job. By taking pride in the parks and keeping them clean, Poplar Bluff residents help maintain and support our community. Parks and Recreation wants to work with residents in providing quality recreational programs and attractive parks. Your suggestions regarding park improvement, recreational activities, clinics, or sports programs are greatly appreciated.

VOLUNTEER OPPORTUNITIES

The gift of time is valuable to those who give and receive. You can share your time and talent with our recreation, horticulture or maintenance departments. Individuals and groups are welcome to partner with us. Some example of volunteer opportunities are coaching, gardening, litter patrol, and programming. Contact our office at 573.686.8645 or stop by our office at 430 North Second Street. A volunteer application form is available online at <https://www.pbparcs.org/volunteer.php>

PROGRAM CANCELLATION POLICY

Decision on the cancellation of evening activities due to inclement weather will be made at 3:30pm daily. Once a decision is made a text message alert (see page 2 for information on texting) will be sent, and the information will be on the Parks and Recreation Hotline (573.686.8000), website www.pbparcs.recdesk.com and Facebook. [com/PoplarBluffParksandRecreation](https://www.facebook.com/PoplarBluffParksandRecreation). We recognize the possibility that a sudden weather change could create a situation in which a program might have been possible, but feel the importance of early and accurate communication outweighs that chance. All programs are subject to immediate cancellation if the weather changes after the 3:30pm decision.

KEEP YOUR PARKS SAFE

Each year the Poplar Bluff Parks and Recreation incurs a great deal of expense to repair damage caused to your parks by vandalism. Please notify the Parks and Recreation Office if you see broken playground equipment, damaged facilities or vandalism anywhere in the park system. Please help everyone by immediately reporting any vandalism, misuse or abuse of park property to the Police Department by calling 573.785.5776 and the Parks and Recreation Office 573.686.8645. Give authorities as much information as possible about what you observed including descriptions of person and/or vehicle and license plate numbers. If you choose to remain anonymous you may do so. Your participation will help assure safe, quality parks for our community.

PICKLEBALL

With Pickleball there is no limit on fun and friendships, not to mention a little competition. This sport is easy on the knees and elbows because there is not as much running as in tennis. Pickleball can even be played in a wheelchair where two bounces

are allowed for seated players instead of one. Picklers use light weight paddles instead of rackets. The paddles are elongated and wide. The balls are plastic and have between 26 and 40 holes. Want slower play - use a ball with fewer and bigger holes.

Four pickleball courts could fit on a standard tennis court. In pickleball, there are terms like "kitchen" which is a non-volley zone. Some other terms include a volley llama, dinker, and a banger - Google it.

So why not try your hand at pickleball. You may fall in love with this sport like so many millions have. Contact Jack Rushin at 573.429.8442 to learn more about the local pickleball group. Stay tuned to the local Facebook page: @pbpickleball for dates and locations. If you don't have equipment, no problem. They'll have what you need.

Hillcrest Park tennis courts and Poplar Bluff Middle School courts give players the choice of playing tennis or pickleball. Poplar Bluff Parks and Recreation has paddles and balls for your use, stop in and see us!
